FUNDING FOR YOUR BUSINESS

Why LTG Accountants trusts Swoop to Handle Business Funding

Whether you have just started your own business or are on your scale up journey, finding funding can be overwhelming for busy SME owners — there are too many options, hidden costs, and unclear eligibility.

With expert help, you get matched to the right solution faster, avoid costly mistakes, and unlock capital when you need it most — so you can focus on running and growing your business. This is why LTG Accountants has teamed up with funding experts Swoop to make it easier to access your funding requirements

Swoop

Need funding? Try Swoop

Swoop is a business finance platform that makes funding and financial services simple, secure, and fast. It gives you instant access to business loans, commercial mortgages, credit cards, and even grants you might not find on your own.

Instead of spending your valuable hours filling out paperwork, making endless phone calls, or figuring out confusing websites, Swoop does the hard work for you. It compares products from multiple banks, lenders, and providers, helping you pick the best options.

Key Finance Terms

- **Interest Rates:** The proportion of a loan that is charged as interest to the borrower.
- **Working Capital Loan:** Is a short-term or medium-term business loan that serves to cover a company's everyday operations.
- **Term Loan:** Type of loan that provides a specific amount of capital to a business for a predetermined period, with a fixed or variable interest rate.
- **Line of credit:** It's an agreement with a lender that lets you borrow on an as-needed basis and pay back when it's convenient.
